Client ID: 88114c42d175f8fdfe9dd078208ccd0ba25d139a72059018b6ef490115c2b4d7

Client Secret: a093c4ae4764608215d98c7f7c757ddb30bb36ef57c9164f0b880d31e4d6748e

OAuth

Standard OAuth is for apps with access to a web browser. This includes mobile apps, desktop apps, and websites. Read more about OAuth. (<http://docs.trakt.apiary.io/reference/authentication-oauth>)

Redirect URI:

<https://www.google.com>

Authorize (/oauth/authorize?client_id=88114c42d175f8fdfe9dd078208ccd0ba25d139a72059018b6ef490115c2b4d7&redirect_uri=https%3A%2F%2Fwww.google.com)

Devices

Device authentication is for apps and services with limited input or display capabilities. This includes media center plugins, smart watches, smart TVs, command line scripts, or system services. Read more about Device auth. (<http://docs.trakt.apiary.io/reference/authentication-devices>)
